Entering organisation's area/s of focus or specialism (if applicable)

Entry Details

Please note: You can include links to further information on the research, innovation, or technology as well as photographs of your organisation, team members and any relevant work either in your submission or in the supporting evidence.

- 1. Describe the research, innovation or technology that was to be employed and the intended outcomes. Maximum length 250 words**

--

2. Describe how the research, innovation or technology was used to deliver cutting edge performance. *Maximum length 500 words*

3. What measurable improvements were achieved? Where possible, use quantifiable data. *Maximum length 250 words*

4. Why does your organisation deserve to win this award? *Maximum length 250 words*

Supporting evidence

As well as the information you have provided, we encourage you to supply a file of supporting evidence. This file can include charts or diagrams to support your answers and/or testimonials. You can also include a link to videos to support your entry.

We also ask that you upload photos as part of the submission. Photos are invaluable to the submission as they will be used to represent your entry and bring it to life. We ask for a minimum of one high resolution image and a maximum of three images. All photos submitted must be subject to necessary permissions.
