

Harvey's Lab Tour of the Year Organisation Award

Harvey's Lab Tour of the Year celebrates an outstanding initiative that brings comfort, knowledge, and empowerment to young patients and their families who visit the laboratories where their samples are processed and analysed, helping to demystify their healthcare journey.

This award also recognises the exceptional efforts of biomedical science teams who run Harvey's Lab Tours that goes beyond their lab work to directly engage with young patients and their families, offering them a glimpse into the vital role that biomedical science plays in diagnosing and treating their conditions.

Please submit the following information:

Entrant Details

Laboratory name
Organisation name (if different from above)
Laboratory's area/s of focus or specialism (if applicable)

Entry Details

- 1. Describe how you run the tours, explaining in detail any experiments or activities you use to make them fun, engaging and educational. *Maximum length 500 words***

- 2. Describe the impact that tours have had on staff working in the laboratory and in other departments in the hospital. *Maximum length 500 words***

3. What have been the results of the tours on patient care? *Maximum length 250 words*

4. Why does this laboratory deserve to win this award? *Maximum length 250 words*

Supporting evidence

As well as the information you have provided, we encourage you to supply a file of supporting evidence. This file can include charts or diagrams to support your answers and/or testimonials. You can also include a link to videos to support your entry.

We also ask that you upload photos as part of the submission. Photos are invaluable to the submission as they will be used to represent your entry and bring it to life. We ask for a minimum of one high resolution image and a maximum of three images. All photos submitted must be subject to necessary permissions.
