

Training and Development Organisation Award

This award will recognise organisations that can demonstrate how their training and development programmes have improved biomedical science knowledge and practice for the benefit of their staff and the improvement of their services.

Please submit the following information:

Entrant Details

Organisation name
Entering organisation's area/s of focus or specialism (if applicable)

Entry Details

1. Describe the desired objectives from your training and development programme. <i>Maximum length 250 words</i>

2. Describe the training development programme and how it was implemented. *Maximum length 500 words*

3. Describe the improvements in biomedical knowledge and services that were achieved? Where possible, use quantifiable data. *Maximum length 250 words*

4. Why does your organisation deserve to win this award? *Maximum length 250 words*

Supporting evidence

As well as the information you have provided, we encourage you to supply a file of supporting evidence. This file can include charts or diagrams to support your answers and/or testimonials. You can also include a link to videos to support your entry.

We also ask that you upload photos as part of the submission. Photos are invaluable to the submission as they will be used to represent your entry and bring it to life. We ask for a minimum of one high resolution image and a maximum of three images. All photos submitted must be subject to necessary permissions.
