

## Rising Star Individual Award

This award aims to recognise emerging talent in biomedical science. It is open to biomedical scientists who have been HCPC registered for less than three years and have already made a significant impact within their organisations or teams. These individuals are considered rising stars and future leaders in the field.

Entries must be submitted by a colleague. Self-nominations are not permitted.

Nominees must be members of the Institute of Biomedical Science (IBMS).

Please submit the following information:
